INDONESIAN SPICES

Indonesia is one of the world's top spice producers. From the beginning to the present, human traces have been discovered in spices. People have enjoyed the fruits of their predecessors' labor in a range of tastes and characteristics. For this reason, we are on a journey to develop and create spices for others.

INDONESIAN PORRIDGE

Our Smartpack also offers unique and authentic Indonesian porridge flavors. One of our popular offerings is Mung Bean Porridge, a traditional porridge made from mung beans. This wholesome and nutritious porridge is known for its creamy texture, earthy flavor, and a hint of sweetness. Another tempting option is Black Sticky Rice Porridge, which is made from glutinous rice. This porridge boasts a sticky and comforting texture with a subtle sweetness.
